

Baykee uninterruptible power supply model

Overview

Product Specifications -- Product Description Overview Quick Details Place of Origin: Guangdong, China Brand Name: BAYKEE Model Number: BKH-M1 Series Application: Commercial Work Time (h): 4 Specification: Normal Load Power (W): 10kw-120kw Solar Power (W): 10kw-500kw Output Voltage. Product Specifications -- Product Description Overview Quick Details Place of Origin: Guangdong, China Brand Name: BAYKEE Model Number: BKH-M1 Series Application: Commercial Work Time (h): 4 Specification: Normal Load Power (W): 10kw-120kw Solar Power (W): 10kw-500kw Output Voltage. Baykee has more than 17 years of experience in Uninterruptible power supply field catching with various requirements from customers.

Uninterruptible power supply comes into being in the context of current energy demand. 99, (THDi)<3% Dual DSP for independent control of power module, no single point of failure Digital control of. BKH series modular UPS is Baykee featured highly reliable modular online UPS, efficiency up to 96%, reach the international level UPS energy saving performance. Technology advantages, this product particularly in device control, system. Maximum order quantity: 1 piece Customized logo (+ from /Min. order: 10 pieces) discharged. When the input rectifier reaches the set value of power, the battery module stops charging, and the reverse operation enters the discharge mode to help the rectifier supply energy to or the load.
