

Cambodia glass solar module panels

Overview

Solar photovoltaic glass offers a dual solution: generating clean energy while serving as functional building material. The Diamond Tower project near Chroy Changvar bridge proves the concept - its 8,000 sqm photovoltaic facade now supplies 40% of the building's daytime energy. Khmer Solar only stocks grade A solar modules and we stand to offer full warranty on their performance. We offer crystalline type panels from 40 - 330 watts to meet your power needs. Khmer Solar recommends Jinko Solar (NYSE:JKS) solar modules for higher energy requirements. Jinko is the global. NE Solar is a global solar panel and solar cell manufacturer specializing in high quality mono perc, bifacial, and poly modules.
