

Indonesian phase change solar container energy storage system supplier

Overview

Jambi, February 18, 2025 – PT Cipta Kridatama (CK), a subsidiary of PT ABM Investama Tbk (ABMM), in collaboration with SUN Energy, has inaugurated Indonesia's first and largest Containerized Battery Energy Storage System (CBESS) for Solar Power. Installed in Jambi, the system features a 643.8 kWp solar energy setup with a 1 MWh battery housed in. This 20ft collapsible container solution features 60kW solar capacity and 215kWh battery storage. Built with robust 480W modules, it powers extended off-grid missions, from microgrids to rural factories, ensuring continuous operation even under adverse conditions. It has a 1 megawatt-hour battery storage system. This technology catalogue is a result of the close cooperation between Indonesian and Danish Government under the Indonesian-Danish Energy Partnership Programme (INDODEPP). Gratitude goes out to everyone involved from DG Electricity, Danish Energy Agency, Embassy of Denmark in Jakarta and Ea Energy.
